Pet Policy

Service Animals: We recognize the importance of service animals in providing assistance to individuals with disabilities. Therefore, service animals are permitted to accompany their handlers throughout Texas Dynamix in accordance with applicable laws and regulations.

Domesticated Pets: While we appreciate the companionship and joy that pets bring to people's lives, we regret to inform our guests that domesticated pets, including but not limited to dogs, cats, birds, and small mammals, are not allowed on the premises. This policy applies to both indoor and outdoor areas.

Reasoning: Our decision to restrict domesticated pets is based on various considerations, including hygiene standards, potential allergies of other guests, and ensuring a safe and comfortable environment for all patrons.

Assistance for Pet Accommodation: If a guest requires assistance in accommodating their service animal during their visit, we encourage them to contact office@txdynamix.com in advance. We will do our utmost to accommodate their needs and ensure their visit is as enjoyable as possible.

Non-Discrimination: We adhere to non-discriminatory practices and provide equal access and service to all individuals, regardless of disability status or reliance on a service animal.

Policy Compliance: All guests are kindly requested to adhere to this pet policy for the benefit of all patrons. Failure to comply may result in refusal of service or removal from the premises.
